LEGENDS OF THE CELTIC HARP PATRICK BALL, LISA LYNNE, ARYEH FRANKFURTER

Three of the premier Celtic harpists in the world take you on a joyous, dramatic musical journey deep into the myths, legends, and history of the Celtic Harp. "Legends of the Celtic Harp is a blend of music and oratory, falling somewhere between concert and theater. It spanned nearly the range of human feeling, from humor to tragedy, tenderness to rage, reality to mysticism, and more besides. The effects were powerful and exhilarating." "A richly theatrical and hauntingly beautiful performance."

BOLINAS COMMUNITY PUBLIC UTILITY DISTRICT

BOX 390 270 ELM ROAD BOLINAS CA 94924

IMPORTANT -- WATER SUPPLY UPDATE!

Dear Bolinas Community:

It's official: 2013 was the driest year on record for Marin County. What does this mean for Bolinas? First and foremost, it means that we all must continue to conserve as much water as possible. **EACH AND EVERY EFFORT YOU MAKE TO REDUCE YOUR WATER CONSUMPTION IS EXTREMELY HELPFUL!!!**

As you all know, Bolinas has an extremely limited water supply and the district asks our customers to be mindful of their water consumption and voluntarily conserve to the greatest extent possible every day. During the most recent California drought, the district imposed mandatory water rationing in January 2009 (limiting each household to no more than 150 gallons of water per day) for the first time in district history. As a result, many of you installed highly efficient water appliances, replaced leaky toilets, and developed even more stringent water use habits. Overall, water consumption in the district dropped significantly following the 2009 mandatory rationing and has held fairly steady since then. As such, the district is in better shape now from a water supply standpoint than it was in 2009 because we have not yet had to draw as much water from our emergency reservoir supplies.

That said, conditions are worsening as each spectacular, but dry, day goes by. We therefore issue this notice to renew our request that you conserve water as much as possible. In particular, **please turn off all automatic irrigation systems and please limit (or, preferably, cease) all landscape irrigation.** Please also limit the length of showers, run appliances only when you have full loads, and generally be mindful about any use of water. *At this point in time, the district is not imposing mandatory water rationing, but staff will assess our water supply on a daily basis and an updated recommendation (including possible mandatory rationing) will be made to the BCPUD Board of Directors at the next regularly scheduled monthly meeting on January 15, 2014.* We will keep you apprised with updates posted on our website (www.bcpud.org), published in the Hearsay News, and posted and distributed in town.

Thank you all for your efforts to reduce your water consumption; we really appreciate it.

PHILIPPINE ART BENEFIT
RAISED OVER \$3,000

Many thanks to all those who gave so generously to the Art Raffle benefiting Philippine typhoon victims. More than 70 people bought tickets and we raised over \$3,000, to be divided among three Philippine families who were hit by the typhoon--the families of Jing Ferlinghetti, Anita Henry, and Eva Della Valle.

The drawing was held at Bobolicious on Sunday, Dec. 22. The winners were: Sam McCullagh won my painting; Pat Dickens won Jon Francis' painting; Michael Lerner won Ilka Hartmann's photograph; Sandra Guidi won Vicksa Feinberg's drawing; Alan Margolis won Ilka Hartmann's poster; and Warren Weber won Robert Buckenmeyer's slab of table wood.

Thanks again, Bolinas, for your generosity and your beautiful community spirit.

Bolinas Community Land Trust Update

Dear Friends,

Happy New Year's Eve! Wishing everyone a Happy New Year, and as we are so close to reaching our fund-raising goal, won't you consider a donation to the BCLT and Bo-Gas? You can give securely through Pay Pal, or download our full color brochure describing our **Donor Appreciation Tree** and mail in your donation and your leaf choices.

This is an ongoing project, so if the time isn't right to give now, please consider a donation to our tree in 2014. Thank you to the West Marin Fund for their capacity building grant that funded this project.

Calling Young West Marinites: Thanks to a generous gift from the County Of Marin, we are able to continue our fantastic paid internship program and are currently looking for young people, ages 16-23, who are interested in learning important skills while giving back to our community. This Winter Project will focus on non-profit marketing; it's an exciting learning opportunity and a terrific resume builder or school application enhancement.

For more information and to learn how to apply, please view our internship application on our web page with more details or email info@bolinaslandtrust.org if you are interested. We look forward to hearing from you!

Colleen Hicks
Executive Director of
Marin Museum of the American Indian
on the radio!
KWMR 89.9 Saturday, Jan. 4, 9-10AM

A Bolinas resident since 1969, Colleen Hicks has worked in service to community for most of her life. This includes serving on the Board of Commonweal for 26 years where she worked with the families and children in crises. She also ran the mentoring program at Full Circle School, and helped initiate the first Bolinas Chorus.

Colleen's Cherokee heritage came into focus when she took over as Executive Director of the Marin Museum of the American Indian eight years ago where she has nurtured the Museum's extensive education program for Bay Area school children. This month the Museum opens the exhibition Creation Stories from tribes across the Americas. She will talk about this and more on the *Original Minds* show.
