## **Maggi Butterfield-Brown**

**October 23, 1934 - February 8, 2016**

Maggi Butterfield-Brown passed away at the home of her friends, Susanne Jensen and Michael Hummel, of San Francisco, California, at 9:30 am, Monday, February 8, 2016.

Margie Ann, known to her friends as Maggi, was born Oct 23, 1934, in Beach, North Dakota, to Ward Joseph Butterfield and May Belle Brown-Butterfield. Her mother died shortly after her birth, and she was adopted by her maternal grandparents, Herman Walter Brown and Emmaline Melinda Stecker Brown.

Maggi moved as a young adult to the San Francisco Bay Area. She was a self-taught accountant, became an Enrolled Agent and managed her own accounting firm, M. Butterfield-Brown Associates, in San Francisco for many years until she retired to Bolinas, CA, and, later, to Mariposa, CA. She married her soul mate, Jerry Johnson Baldwin, on January 2, 1991, in Buckingham, VA.

After her husband died in 2000, Maggi moved to Oakhurst where she earned a Doctorate in Divinity from Emerson Theological Institute and became an ordained minister and leader in the Positive Living Center of Central California. She went on to teach lively and well attended classes at the Institute. She brought many creative teachers to Oakhurst to enrich the lives of her community with cutting edge ideas on health, meditation and art. Over the past 25 years, she traveled around the world, including to Switzerland, India and Mexico. Her spiritual talks at PLC, often integrating humor and theater, were entertaining and much anticipated.

Maggi was a renowned clothing artist and brought joy into people's lives with her vivid, colorful clothing ensembles. Her home was a beautifully decorated temple. She was adept at sewing and jewelry making. She was an enthusiastic dancer and studied with Gabrielle Roth who taught her to move every part of her body to express the sheer joy of her spirit. She enjoyed living near Yosemite National Park, and hiked the high country there.

Maggi was known for her positive attitude, her easy laughter and abundant charm. Generous and open armed; she was always available to her community with a caring hug and healing prayers. She will be greatly missed by her family, friends and community, both locally and around the globe.

She is survived by her cousins Jeanette McDanold Mefferd (Charles) of Puyallup, WA; Marilyn Stecker Wicka of Beach, ND and Henderson, NV; and numerous nieces, nephews and cousins, who were all touched by her spirit.

The Positive Living Center held a memorial celebration of her life with music by her favorite band, Good Medicine, on Sunday, March 13. Her ashes were scattered by close friends in a ceremony at Tennessee Valley Beach in Marin County on Saturday, February 27th.

Donations in Maggi's memory can be sent to  
The Positive Living Center of Central California,  
PO Box 2127 Oakhurst, CA, 93644.

## Round Table Discussion with Supervisor Candidate Wendi Kallins

This Monday March 21 7pm Firehouse Meeting Room

Please come to a round table discussion with Wendi Kallins, candidate for Supervisor in District 4, the seat being vacated by Steve Kinsey. This is a great opportunity for us to have a major effect.

Wendi is running to bring even more harmony into the Marin County conversation, and to further foster a tone that is respectful, where everyone is heard and where intelligent, creative and smart solutions ultimately prevail. Her first outreach effort in this campaign is to hold a series of local roundtable discussions, reaching out to community leaders and ordinary residents alike, to hear what we have to say.

**Monday, March 21 at 7 pm  
The Firehouse  
100 Mesa Road**

There is no pre-set agenda. Wendi's years of working with diverse communities in her job with Safe Routes to Schools has taught her to let the community shape the agenda. When we come together, we'll go over some simple ground rules on keeping our discussion civil, we'll discuss possible agenda items, and then we'll talk about them.

I hope you'll join us in these community discussions. Our thoughts and input are very valuable and will affect her choice of issues to address as county supervisor of the 4th district.

For more info about Wendi please go to  
[http://www.wendikallins.com/meet\\_wendi](http://www.wendikallins.com/meet_wendi)

## READING TO JOHN

On Tues. 3/22 at 10 am on KWMR (89.9) I'll read Katherine Mansfield's short story, Bliss. At 30 Bertha has an amazing taste of this rare and heady emotion but then a swift and stunning reversal. An emotional maelstrom, leavened with wit about bohemian pretenses. Written in 1920 but oh so contemporary. I'll finish up with reviews.

3rd-5th Grade Chorus and Whitecaps:

I am very pleased to let you know that on St. Patrick's Day music teacher, Anny Densmore walked our 3rd-5th graders downtown to sing for the local seniors at the Whitecaps luncheon. The audience was touched by the sweet singing of our very well behaved and talented singers. Gratitude goes out to Anny for having the desire to connect our children with the community in this way. It was a special event. Jason Richardson, Principal, Bolinas-Stinson School

IS MY FACE BLUE?

Music for pets. Penguin cafe orchestra. David Hockney. Terry's perm. Claires mushroom barley soup for Charlie. Curly brings books and picnics. The final solution. The dogs name is xena and the other little dog is dory. I was up last night I couldn't sleep. One of the most amazing things about my iPad is that I haven't lost it. Try to get it fast. Cute two year old twins with Shirley temple hair a white convertible with kids in back with balloons and the dog in the front. Sketch of Filipa while she's in the store. Denials females worry more than males. Don't get in the way of the tv or ask me to turn my head. Anyway those are just sort of thoughts. I want to learn about layers brushes color intensity harmony. I don't know. Way into gerhard richter. Been on YouTube for hours watching everything. There's a another gerhard richter who does travel videos they're hilarious. That's just a cloud. Repeat designs. A tree. I was on the ferry to San Francisco and I tried to draw the people on a canoe or whatever there called. That was at saint Mary's college and it's a fountain with a cage around it. It's a fountain with locked cage around it in the middle of a plaza. I think I was trying to be arty there. I was doing negative painting. I was trying something new. Ok the gorilla, I was really impressed by a not Jane Goodall thing. That's a portrait of one of the apes that's been in captivity for life. But actually what I usually do with these drawings is put little blurbs on them and then send them as messages to my friends. My friend got the gorilla one and said I love the lion. People don't read what you write or look at what you draw.

**Call of the Forest: Water, Climate & Spirit** Saturday, March 19, 9:00 AM Tickets: \$120 (9 AM to 9 PM) Price includes daytime sessions and box lunch PLUS a reception with appetizers and evening program of readings and music. Point Reyes Books and Black Mountain Circle will present Call of the Forest: Water, Climate & Spirit on March 19, 2016, in Point Reyes Station. The day-long gathering is inspired by the botanist and environmental visionary Diana Beresford-Kroeger. The author of several books on the ecological and spiritual importance of trees and a self-described renegade scientist, Beresford-Kroeger melds ethnobotany, spirituality, alternative medicine, and ancient storytelling traditions to show a path toward better stewardship of the natural world.

Dear Artists;

We are looking forward to you contributing your artistry to the 2016 Bolinas Community Center's Art and Garden fundraiser April 29<sup>th</sup> – May 1<sup>st</sup>. We are deeply grateful for your participation.

This year we're creating a multi-faceted event, rich with opportunities for the community to learn about the Flora and Fauna of our bioregion, and we're calling it:

### WILD AT HOME: California Natives in the Garden and Beyond

Lea Earnheart, who is the main coordinator for the weekend's activities, has created a list – which you'll receive with your canvas – of common plants and animals with whom we share this Earth Place.

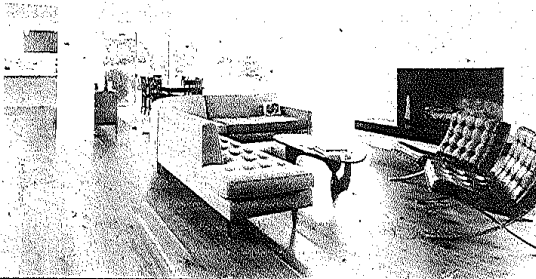

We ask that your work for this exhibit animate these beings, and thereby help all of us to become more aware of the Life in this place, beyond the human community.

Call us 868.2128, stop by the office or email [randi@bolinascenter.org](mailto:randi@bolinascenter.org) if you are interested in participating in this special artistic adventure!

Thank you
