THE BONES OF BURNT PARK

The new Downtown park is set in stone. Now that the dust has settled and the crew has returned home, I'd like to take the opportunity to fill in some historical details about the stonework that was recently installed. Some may call it BO-henge or the coliseum, but there was a mere 200 plus tons of local Sierra White granite that was installed since January. The large rectangular pieces were originally quarried in Madera County; fabricated and installed as part of the 1942 Union Square in San Francisco. The material went into service to clad the worlds first underground parking lot which was also designed to be a bomb shelter. The stone has a history of withstanding earthquakes, fire and dynamite. This material is considered to be "one of California's greatest natural resources." Local to California, reclaimed, and providing an enduring legacy, I believed that this stone was the most appropriate for the Downtown park in Bolinas.

As a native Californian and a father who's family has deep roots in Bolinas, this opportunity was very special to me. I want to thank the village of Bolinas for their patience, inquisitiveness, and bold opinions. Special thanks to my local collaborators; the donor, the designer, the design committee, project manager, John's Market, Bolinas Bay Lumber and of course Smiley's. Lot's of love goes out to my family, my mentors and my rock star crew.

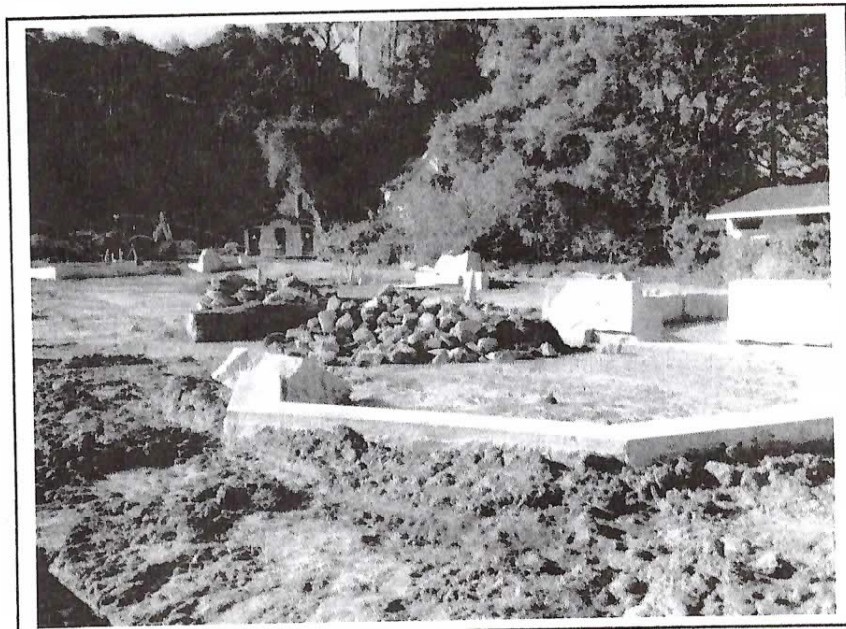

In service and humility with no compromise,

Kyle Schlagenhauf

READING TO JOHN

On Tues. 4/10 at 10 am on KWMR (89.9) I'll read a charming piece by that master storyteller Charles Dickens: "At the Seaside." The Tuggs family comes into some money and repairs to Ramsgate. A suave couple befriends them, with surprising consequences. Along the way we watch the Tuggses struggle to appear accustomed to the high life, with hilarious consequences. I'll finish up with a few reviews.

UPDATE ON SECOND SUNDAY SALE ON THE SQUARE ROYAL RUMMAGE FLEA MARKET

We have temporarily lost Marcella's Marvelous *Delectable Comestibles* from Whey Behind Farms. She is working with a Farmer's Market in Cazadero that is taking most of her time, and since they are Whey Behind anyway, there is presently no opportunity for her to join us. Since she has been our stalwart main participant, along with StuArt's art Buggy and misc. rummage, this is presenting the sale host, *Uniquities Variety, Thrift and Really Good Pet Food Emporium*, with the need to rethink the scheduling. We need to know how many people are interested in participating, so we know whether to move forward with these sales through the spring and summer.

PLEASE CALL UNIQUITIES AT 868-8886 (noon to 5:00 daily), or me, jennieffeiffer, at 0144 if you would like to see the sales continue and wish to participate. Your past patronage is profoundly appreciated.

Thank you Supporters of The Pool in Bolinas,

We have received many donations of \$20 and some larger gifts too, thank you.

These initial gifts total one third of the money needed to print and mail out the community wide survey to see if we can count on a greater number of people who would be willing to support the pool.

Please consider chipping in \$20 if you haven't already done so or tell your friends who might not have heard of our efforts to provide a health and recreational facility for our communities.

We can only take this project to the next level with your support. Your contribution is a tax-deductible donation payable to:

ALPHA YAYA DIALLO & THE BAFING RIDERS—AFRICAN GUITAR, PERCUSSION, AND DANCE

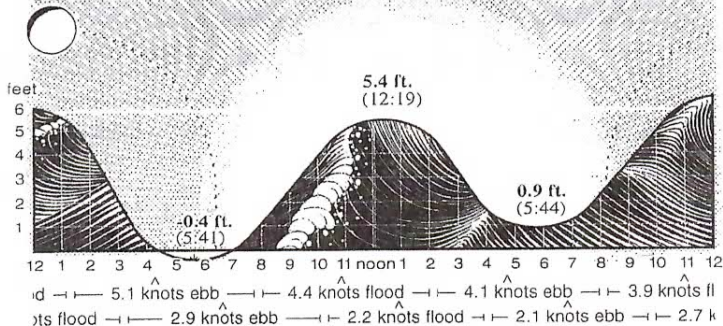

Saturday, April 21, 8 PM
Tickets: \$24, \$22 seniors, \$12 teens
Sponsored by Lagunitas Brewery

Guitarist and singer Alpha Yaya Diallo, from Guinea in West Africa, is one of the hottest acts on the current world music scene. Now based in Vancouver, Canada, he's earned a matchless reputation internationally for the excellence of his musicianship and the excitement of his live shows—whether performing solo or with his band, The Bafing Riders. Diallo is a uniquely multitalented artist. His dexterous acoustic and electric guitar-playing, with its fluid melodic lines and compelling grooves, places him in the front ranks of African axemen. In addition, he is a skilled and experienced performer on a variety of percussion instruments, and on the balafon (traditional wooden xylophone). To complete the abundance of riches, Diallo writes his own compositions, and sings with a supple and beautifully modulated voice.
