EVERYONE IS A REPORTER!

Friday, July 37, 2012

Thanks to D. Hill for his positive, generous, and wonderfully-written account in Monday's Hearsay News of the recent good-bye party for a favorite but reassigned sheriff which took place recently in the new park. A couple of corrections of fact: 1) the donor of the park is not *David* Moritz, but Michael Moritz and Michael's wife Harriet Heyman, and 2) StuArt was not *solely* responsible for the wonderful mural on the side of the store referenced in D. Hill's review. When I called Harriet Kossman for clarification, having remembered her as the main organizer of the painting of the store's wall, she sent me a photograph (inset above) from Art Rogers' Point Reyes Family Album printed in the Pt. Reyes Light on October 22, 1998, which reads: "THE BOLINAS COMMUNITY MURAL PROJECT. The store owners donated the wall, the Marin Arts Council gave a grant, locals donated money, and everyone else donated their art and expertise. Sitting from left: Greg Hewlett, artist; StuArt, artist; Vickisa Feinberg, artist; Kathleen O'Neill, artist; Schehera Van Dyke, artist. Standing from left: Bob Demmerle, planning committee; Arthur Okamura, artist; Sandy Dierkes, artist; Harriet Kossman, project director; Martha Wax, planning committee; Charlie Docherty, artist; Kathy Sparling, artist; and Zim Caroselli, planning committee."

Harriet Kossman then sent me this email: "So here's the roster: from left to right across top first: Ocean scene, Arthur Okamura; Mola Turtle Design, Sandy Dierks; Miwok Indian Family, Dennis Dierks; Mandal Design, Charlie Docherty; Angel Wings, Kathy Sparling;...now bottom row, left to right, Tarantino's, Greg Hewlett; Bolinas Border Patrol, STUART, Lagoon Scene, Josh Churchman; Cypress, Kathleen O'Neill; Mermaid, Schehera VanDyke;... The end coach going over the hill with Samira and John and Harriet was painted by Vickisa, Dennis Dierks, Harriet Kossman, Charlie Docherty.... We all painted the flowers on the fence. Harriet Kossman was Project Director; Zim Caroselli, Martha Wax, and Bob Demmerle were on the planning committee. John and Samira, the store owners donated the wall, The Marin Arts Council gave a grant, locals donated money and expertise. It was a blast! Elect To Laugh!

Elect To Laugh! with Will Durst a hysterical hybrid of stand-up comedy and one-man show meant to satisfy the appetite of the most ravenous political junkie by accessing the topical through the jugular. Blending monologue, commentary and the occasional rant, Durst, a natural descendant of Mark Twain, George Carlin and Spalding Gray, is out to hit the hypocritical where its hurts the funniest. For the last eighteen months, Durst has been following an American political process that has been called a circus wrapped inside a game show covered in poisonous weasel glitter. No matter what side of the aisle you sit, everyone agrees this election season carnival has been a breathtaking side-show full of ethical acrobats, logic geeks and moral contortionists. As a fount for material it has been an embarrassment of riches. Lush like a tropical rain forest. A cornucopia of delights. Come revel as Durst hunts down the ludicrous and nails that puppy to the headboard.

READING TO JOHN

On Tues. 7/31 at 10 am on KWMR (89.9) I'll read "Paul's Case" by Willa Cather. There's something really odd about Paul, which drives his teachers crazy. It turns out he has a secret life with big dreams. When he acts on them, the results are inevitably tragic but briefly glorious. This is a quintessential tale of someone who doesn't fit in, and very powerful indeed.

I have just completed two intensives at Harbin and will be studying with in a master program in Berkeley starting next Thursday. Cranial Sacral is a listening practice and I would like to give as many sessions as possible before I go into it. I can accept up to 9 sessions at \$25 each during these 3 days. You can even schedule two if you come Monday and Wednesday. Sessions are usually one hour long but I ask you to schedule your day for two hours if possible. I have over 500 hours training in this modality along with 3000 additional hours of study and practice in Energetic work and Esalen Massage. My usual donation request is \$75 or 3 sessions for \$150. I will offer second sessions for these nine clients at \$40 if they would like to continue but there is no obligation to do so. Cranial Sacral is a visionary practice using the wave like pattern of the cerebral fluid as it pumps it's way down the spine into it's the nerve pathways. The pattern reverberates throughout the body and can be used to address physical issues, as well as emotional and spiritual issues with physical signatures, it is renown for it's ability to address traumas and injuries that have occurred well in the in the past. If you have no physical issues but are curious just come for the deep relaxation and I will include energy work and/or an intuitive reading based on your current life goals and intentions.

THANK YOU

Many thanks to all of you who have expressed concern, given us positive energy, said healing prayers, given us aid, and offered helping hands and hearts, as Mary has gone through her medical issues. She is now resting from the hospital(not a place to rest), taking in all the healing thoughts and wishes, adapting to new changes in her health regimen, and gaining strength for the surgery ahead.

As we have gone through this, we are aware of how special this community is. We feel blessed to be a part of a town that has so many open and loving hearts. May you all be as blessed as we feel right now.

MESA PARK BOARD MEETING
 MONDAY, JUNE 11, 2012
 AT THE FIREHOUSE @ 7pm

Board members present: Geoff Geupel, Patricia Hickey, Jane Mickelson, Bryan Lee
 Others: Roger Peacock, Vic Amoroso, Jack Siedman, Anna Gade, Jenny Pfeiffer
 Call to Order: 7:09 PM

COMMUNITY EXPRESSION: Jenny reported that the school board is considering placing a bond for \$9.5 million on the ballot to build a new gym. Geoff commented that there had been plans years ago to build a gym at Mesa Park, and asked if the school bond funding could be used there since it's part of the Joint Powers agreement, and that perhaps Mesa Park would be a more appropriate location. Jenny reported that she raises the issue of location each month at the school board meetings.

DOWNTOWN PARK: Roger reported that the goal is to have the bathrooms open for the 4th of July. Sod and pathways are down & walkable; most of big planting is in. Underground irrigation is installed and the drip irrigation is going in. This Saturday there's a community planting opportunity to plant a tree or other plant in the park. The park won't be done by 7/4, but the bathrooms will be useable, and the labyrinth is walkable now. Discussion ensued concerning signage and clean-up of the park. Jack Siedman suggested that the job of clean-up of the tennis courts and accompanying bathrooms be removed from the county and done locally. Roger said that the conservation corps takes away the recyclables. The systems are already in place. Roger reported that they'll have a year to work out the kinks, but have a proposed budget of \$18,720. Suki offered to provide quality control, and suggested that there be a job description. [Geoff] There'd be no responsibility for upkeep of the actual tennis courts, right? The county pays for water, sewage, resurfacing, etc. [Suki] sounds like there needs to be a job description for such a hiring. Discussion ensued about insurance, concerning potential work hours, and which areas would be included in the job.

MAINTENANCE REPORT: Suki reported that the helmets in the storage unit were full of rats' nests. The old tractor needs fixing or junking. Does the board want to get rid of it? It's a small John Deer good for hauling a trailer. Jack suggested calling Rovann to discuss the issue with him. Suki mentioned Park usage: would it be good to have a hand-out about how much the park is used and what for and who to contact for usage. Geoff stated that the board does not want to be responsible for someone to police the use of the park unless there's a real problem of overuse. Jane will collect data and put together a draft for a brochure. Suki has submitted work hours for April and May and has warrants for repair parts.

POOL PROJECT: Anna reported that Alethea suggests having a survey of Mesa Park done to have an up-to-date concept. That will help site a swimming pool. The pool committee is about ready to send out the survey to the towns to see if it's possible to double the number of folks who have said they'd be members, to maintain the pool. If yes, then they begin the capital campaign. Jane reported that she and Anna would be setting up a meeting with Christine Cunha to determine what her role will be as financial liaison between the pool committee and the MP board.

IRRIGATION PROJECT: Bryan reported that he has spoken with Mary Baum concerning the grant and she assured that she would get the paperwork to Jennifer this week. It shouldn't be a problem to amend the grant, so we should know very soon. He also talked with Reid Thaler, who will apply the CDBG funds toward the permit costs. That can be accessed as soon as it's a go. The whole sum of paying for the major element, the lift station, is attributable to the matching grant. The pump needs up-grading and is included in the plans.

TREASURER'S REPORT: Some funding raised from sale of the water meter was proposed to be set aside for future maintenance. Patricia suggested that someone on the board needs to go over the MP insurance policy again to see how the DT park will fit into the picture. Bryan offered to look it over. Patricia said that the DT park has already been added to the insurance coverage. She reported on warrants to be paid and also suggested budgeting for audits. Jane moved to approve warrants. Bryan seconded. All aye.

Patricia described her proposed Budget for the next fiscal year, including additional electric utilities, estimated water usage for Down Town park (approx. \$2200 per year for irrigation & bathrooms.) For the DT park, the county offered to pay \$3500 if we'd take over the responsibility for cleaning the tennis court restrooms. The board expressed concern that this wasn't enough. The board would need to approve a budget and recommend that it be in order to presented at the next board meeting. Vic suggested adding in administrative costs. Bryan said the budget only needs oversight expenses added to it. Patricia said we need to come up with an administrative fee and also have to change Suki's title to "general manager". Suki proposed that four more work hours a month should cover the extra work.

Approval of Operating Budget: 2012-2013 budget:
 Motion to approve with changes made (increase accounting/administrative services; \$1600 for Mesa Park upcoming costs.) Bryan moved, Patricia 2nd, all aye.

OTHER:
 a) District Manager for the Mesa Park board (representative from county council): Jack reported that this is not necessary for our district.
 b) Resolution to place parcel tax measure on November ballot: Jack reminded the board that it must include amount you're seeking, and should formalized before the next meeting. Jane will write a draft of the resolution and present it to the board at the next meeting for additions or edits.
 The Statement of Facts form with the names, etc. of current board members and their terms of office must be filed at the county by June 9. Jane will send in the data to the election office.

Approve Minutes of Last Meeting: with minor edits; Bryan moves, Pat 2nd, all aye.
 Approve Warrants: Approved above
 Schedule Next Meeting: July 16, 2012
 ADJOURN: 9:10 PM
