That's it!!! That is what that was, the Bolinas Community Center Labor Day BBQ and Silent Auction Event, truly a labor of love; love to eat, dance, participate and celebrate.

Well another Labor Day BBQ gala under my belt and I remain amazed at the community energy that this sweet village generates. What a gorgeous day, perfect weather, great food and drink, a beautiful Silent Auction and the world's most wonderful people.

We are so very lucky to live and love in Bolinas

Last year was my first as an employee of the center so this year Lia and I felt like veterans, oh I know, those of you who have done these BBQ/Silent Auctions for decades smile at my comment. The reason I make the comment is the fact that it being my second year allowed me to sit, observe and listen. What a wonderful experience the village of Bolinas created!

I am ever amazed how well the community of Bo just comes together and makes "it" happen. As I said last year, the thoughts (ok worries) that occur prior to an event can keep one awake, it does me and then I witness the "bomagic" and it is like Cinderella where everything happens as if the small creatures and birds were assisting.

So-----anywho I just want to extend a huge - I mean 20 foot high banner behind an airplane huge - THANK YOU to each and every one of you.

"LABOR OF LOVE" CONT. FROM COVER

... I do feel a need to give a personal shout out to my Silent Auction Divas, Kathleen O'Neill, Curly & Georges, Bobbie Kimball and Maria Garrigues. What a beautiful auction you arranged this year. Thank you. Thank you. And again Thank you!

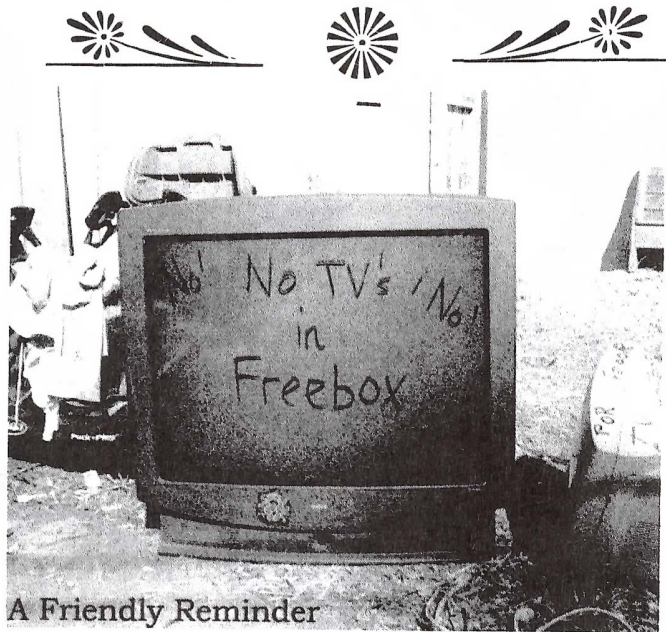

For the rest of our labor force, wow!!!!you amazed us, Julie and her choppers (sounds like a blue grass band), Jan and the green team, Arn, StuArt, Max, Chris and the balance of the set up posse, the huge battalion of volunteers who ran, served, poured, cleaned, connected, sat or roamed as needed...you rocked it. Wait, wait there is more - The Bolinas Community Center's Board of Directors, always there whenever we needed them. Magi, Jeff, StuArt for organizing the marvelous music and all the world class musicians. Zorro for being there early, late and in between to get the job done and Steve Wrenn for always helping with everything. To Steve Hodges and his gang of carpenters; making that great stage come and go, you made it look effortless and we know it was not. June and those baking wonders, yum again, Vanessa and the balance of the Kid's Zone zanies. What a great addition to our events is the Kid's Zone.

I know I have forgotten a name or two but I have not forgotten the job you did and the effect you had. I, we, truly appreciate you and all you do.

Really it all comes down to one word - AWESOME.

I am blessed, thanks for sharing.

**Save the day!
Join us for a great party
honoring
Vandy Seeburg
retiring Executive Director
of Bolinas Museum
Sunday Sept 30, 2-4 PM**

Vandy told her staff and the Board of Directors that if there was going to be a party for her retirement, she wanted it to be in the Museum's courtyard, free and open to all, like the many courtyard concerts and events she has organized for community and visitors to enjoy. So it will be.

During Vandy's six year tenure, there have been so many excellent exhibitions including main gallery exhibitions of local artists Sha Sha Higby, Phil Frank, Ken Botto, Arthur Okamura, Michael Sell and African historian David Conrad. Plus more then 70 other exhibitions featuring or including Coastal Marin artists and photographers. Also such wide ranging exhibitions such as conservation artist Dan McCormick, Origami, landscape paintings from the late 1800s to Bolinas in the 70s and the Cinderella-like story of women artists from Mithila India. Behind each production is the Executive Director intensely multi-tasking administration duties, defining the aesthetic, managing the budget, preserving the buildings and engaging people. Vandy has skillfully managed all this while emphasizing teamwork with her staff, board, volunteers and supporters. That teamwork shone at the success of the museum's recent annual fundraising art auction and party.

September 30 is Vandy's last day as Director, so please join us to have fun and express our heartfelt appreciation for her hard work, creativity and leadership.

READING TO JOHN

On Tues. 9/25 at 10 am on KWMR (89.9) I'll read from the latest West Marin Review. This marvelous compendium of local writers and artists is just out and I've chosen a tasty sampling to share: an update on a fairy tale, a piece on bee-keeping, some flash fiction by memoirist Frances Lefkowitz, and more, including fine poetry.

This is a pledge drive show, and if you enjoy being read to as much I as do reading to you, please show your support by calling in that morning. Premiums include two copies of the journal itself, full of exquisite art as well as varied literature.

Proposed Rules for Park Use

The Downtown Park Committee recommends the following proposed park ordinances which were taken from the Marin County Code, and are similar to all ordinances regulating public parks. Written in legal jargon, they prohibit:

1. Dumping your garbage in the park;
2. Putting up structures or signs;
3. Dumping your unwanted couch;
4. Selling stuff or using the park for commercial activities, except by permission;
5. Hassling people;
6. Getting drunk;
7. Making fires, except as permitted;
8. Using fireworks;
9. Smoking.

They already apply to the tennis court park. The Mesa Park Board will vote on adopting them for our town parks at its October 8, 2012 meeting.

*Jack Siedman, for the
Downtown Park Committee*

1. Garbage, refuse and trash.

No person shall bring garbage, refuse, trash or yard clippings onto parks, nor dump or deposit such garbage, refuse, trash or yard clippings within parks.

2. Unauthorized structures, encroachments and signs.

No person shall erect any temporary or permanent obstructions, structure, monument, facility, physical improvement, encroachment or sign within parks. Any such item may be impounded or demolished by the agency.

3. Abandoned and unattended property.

No person shall abandon or leave unattended or without permission any personal property or device within parks for a period longer than twelve hours. Any property or device so abandoned or unattended may be impounded and disposed of in accordance with law.

4. Commercial activities.

No person shall do any of the following within parks:

- A. Sell, hawk or otherwise peddle any goods, merchandise or services;
- B. Station or place any stand, cart or vehicle for display of goods, merchandise or services;
- C. Distribute, circulate or post any handbill, pamphlet or other advertisement regarding sale of goods, merchandise or services;
- D. Conduct any commercial filming or photography or activity related to commercial filming or photography except by written permission from the agency.
- E. Conduct any activity of a commercial nature except by written permission from the agency.

5. Prohibited conduct.

No person shall do any of the following within parks:

- A. Harass or otherwise disturb others;
- B. Accost another person for the purpose of begging or soliciting;
- C. Be under the influence of intoxicating liquor or dangerous drugs in such a condition that the individual is unable to exercise care for his or her own safety or the safety of others;
- D. Engage in loud or disturbing conduct or any act tending to a breach of the peace.

6. Alcoholic beverages.

The use of alcoholic beverages within the parks is prohibited.

7. Fires.

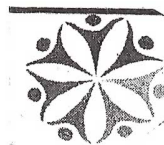

No person shall build, light, or maintain a fire of any nature within parks, except in permanent fixed barbeques, camp stoves, or fireplaces established by the agency. The use of portable barbeques and camp stoves is prohibited except in designated areas. Barbeques and stoves shall be operated at all times in a manner that does not endanger facilities. In addition, hot coals must be disposed of in a designated manner.

8. Fireworks.

No person shall possess, bring onto, set off or otherwise cause to explode within parks any firecrackers, skyrockets or other fireworks or explosives.

9. Smoking.

Smoking is not permitted in the parks.
