## Bolinas-Stinson School THANKS our first responders.

"Here's the photo of the school banner with the Marin County Fire Department strike team on their first off day in Santa Rosa on Monday 10/16. They were completely blown away by all of the student's artwork and messages. It really meant the world to them to receive this outpouring of love". Mollie

*Pictured on far left is Mollie Lounibus and kindergarten Alice. And next to them is Alice and Jordan's dad Chris Martinelli who was on the fire crew from the start of the Sonoma-Napa fires.*

THREE GREAT THINGS ABOUT THIS PLACE...

- First autumnal rains—a great beginning to the season.
- Last weekend's Fairfax Irish Music Fest—all proceeds went to fire victims.
- Sunday's powerful 'Why We Come' film, telling stories from our local immigrant community.

**Story Polls on Overlook**

A lot of Bo folks have indicated concern about those very obnoxious story polls at 370 Overlook. Yes, that is my property but it was stolen from me a while back... not only the property but everything on it. They wanted to make sure I had no money for a lawyer. I went to court many times, found favor with the judges, so they had to make sure they stopped me by evicting me with no 5 day notice, required by law. I was about to go back in to have a ruling reconsidered due to new evidence when a couple pretended to buy my much loved property (no legal right or paperwork to do so). Recently they went in front of BCPUD and in order to get an "expanded water use permit" misrepresented what was already there. They stated there is only 2 bedrooms (no, there were 3 from the day I bought it in 1973 and some of our community have lived in it.) Rick Fields wrote his famous book on Zen Buddhism there when Peter Warshall lived there: When asked if there was a 2nd unit there, they said no ... hardly true, there has been a legal 2nd unit since 1977. Too bad Paul is no longer there, he would have certainly stopped the charade. By my estimation they are intending to have an equivalent of 9 or so bedrooms. Go check it out. It will ruin the privacy of many loved neighbors, and the view of the mountain - also as you drive by. I moved to a rural town, zoned Agricultural/ Residential, as did you. The intention is to flip the property- not to love it. They have not even replaced the fence in back - required by state law - since there is a Sewer Spray Area in the back, not "Open Space" as pretended in the ads prematurely advertising it. This is the property I made for survival in my old age. Not one law was complied with - I followed everything the phony hedge fund "bank" told me to do. I went to court many times alone. I need a lawyer to stop this and time to do so. New Calif. Supreme Court Ruling recorded Feb. 18 states I am the only one with "standing" (legal right) to go back in and get my deed back. I could not read their tiny public notice attached to stick on the ground. Please stop by and check it out if you can, write a letter to the county, and plan on coming to the Hearing.

Those of you who are concerned about Air Bud and other operations taking away Low-income housing, (my place always was that) and bringing in more out of town cars, then put your pen to work or call Marin Co. Planning. More information later. Thanks for all you can do.

WHAT HAPPENED THIS WEEK is not happening this week.

10-16-17 Week in Review Recap, Monday Morning Memo from Jennieffeiffer, is on hiatus until the 868 + Directory is printed in November.

So please send in your corrections, additions, or business ads ASAP, to [868hearsay@gmail.com](mailto:868hearsay@gmail.com), or to [jennieffeiffer@gmail.com](mailto:jennieffeiffer@gmail.com) with instructions as to whether you want email addresses and cell phone numbers added. Ad prices are \$20 for a business card size ad, \$30 for a quarter page ad, \$50 for a half page ad, and \$100 for a full page ad. Two line listings are free.

P.S. Loved the "Why We Come" movie afternoon at the Community Center yesterday. It was a very moving account of the friends and neighbors who have been trying to make a better life for their families by coming to the U.S. There was excellent food and group conversation about ways we can show support for our community members here under duress. I am thankful for those who put this together and who have organized to help keep these neighbors in their homes. jp
