## MONDAY MEETING REPORT 4/2/12

From Jenniepeiffer

2ND DAY OF APRIL - March did come in like a lion, but rather than going out like a lamb, as the saying would have us expect, the lion roared right on through the month with back to back storms last week, a short power outage on our end of the Mesa, and then, counter to weather reports, we had a lovely Sunday April Fools.

Our household was laid low this past week with the cough/head stuffer that seems to be going around, so my meeting attendance was sporadic, but did get in a couple of showings of support for KWMR's spring fundrive. Thursday morning Mimi Calpestri and I subbed for Howard (off being a movie star) and Charlie (off to Scotland to see his mum), on Morning Blunder. It was a reunion for us, having worked together on that show years ago. Thanks to Blunder fan support, we made our goal, had fun, but also remembered how unnatural it is to get up in the dark to arrive at the station in time to prep. Saturday night Ned and I were able to regain enough health to play some music with *Midnight on the Water* during the Celtic Universe show, which also made goal. It was a successful fundrive - long live local radio!

Monday night there was another in a series of parent workshops at Bolinas-Stinson school. This one was in the tech lab, giving instruction to parents regarding how to protect their kids from the onslaught of sometimes unsavory sites that can pose risks to our loved ones. We learned how to impose time limits, lock out certain areas, monitor login activities, and generally protect the members of our households. I am relieved to now know how to keep sweet husband Ned from internet predators.

Tuesday and Wednesday were a blur. In and out of the coma, aches, and wheezes that accompany taking to one's sick bed, I had to miss playing music at the monthly Last Wednesday Birthday Bar gig. In my haze, I got sucked into watching a marathon of old videos of the many seasons of Twin Peaks. Now there was a twisted, outrageous soap opera series that never reached conclusion. I felt like one of the many characters that ended up in a vegetative state - not even having the will to hit eject. I am not recommending it, but it did pass many hours and brought me to quick recovery so as not to have to endure any more.

The weekend had back-to-back great nights at Smiley's, with the Band SAGE on Friday, and *This Old Earthquake on Saturday*. Both nights packed the house, and I'm sorry stamina was low, so had to leave early. Report on Saturday's Transit meeting with Steve Kinsey will have to come later in the week. Stay Healthy, j

*Integrative Law: A Healing Approach for Resolving Divorce and Other Conflicts*

A divorce is the fate of about half of all marriages, and is the reason most Americans will encounter the legal system. In addition to the inherent stresses of divorce, many families experience serious and avoidable collateral damage as a consequence of handling complex and personal family systems breakdown in a court system designed to resolve automobile accidents and breaches of contract. Pauline joins Michael Lerner to explain Collaborative Law and other dramatic transformations taking place in the legal profession.

*Pauline H. Tesler is director of Commonwealth's new Integrative Law Institute and author of the critically acclaimed practice manual for lawyers, Collaborative Law: Achieving Effective Resolution in Divorce Without Litigation and Collaborative Divorce: The Revolutionary New Way to Restructure Your Family, Resolve Legal Issues, and Move On With Your Life.*

## dance palace

The Dance Palace, 5th & B Streets  
Point Reyes Station

Tickets at [www.dancepalace.org](http://www.dancepalace.org)

**AN EVENING OF HAWAIIAN SLACK  
KEY GUITAR WITH DENNIS KAMAKAHI,  
STEPHEN INGLIS, PATRICK LANDEZA  
Friday, April 13 at 8 PM. Tickets \$24  
general, \$22 senior, \$12 kids/teens**

The aloha spirit will fill the air when slack key legend, Dennis Kamakahi returns to Pt. Reyes, along with Stephen Inglis and Patrick Landeza. Join us for an evening of Hawaiian songs, hula and aloha as they perform songs from their new albums! Award-winning musician, composer, producer, Patrick Kahakauwila Kamaholelani Landeza is considered a leading exponent of the Hawaiian slack key style. A protégé of the Hawaiian slack-key masters, Landeza has dedicated his life to sharing this art form with the world. At 34, he was the youngest recipient of the prestigious Kapalakikō Aloha Spirit award for his work with slack key. Patrick received the 2010 Hawaii Music Award for his latest release "Ku`u Honua Mele" (My Music World) in the slack-key category.

### Ah my first membership dinner.

Well as maiden voyages go, this one was a success. I have nothing to compare it to but man oh man that was just fun, fun, and more fun. I love to see the hall hopping, bright with smiles, warmed by a fire and food and drink for all. Thanks to all that contributed food, it was beyond amazing...all that food, all those wonderful people.

Don't get me wrong lots of thought, hard work and energy went into creating the evening. I know what Pearl Bailey meant when she used to say at the end of her Broadway plays as she came out to talk with her audience, "let me sit down cuz my dogs are barking".

### A huge thanks to:

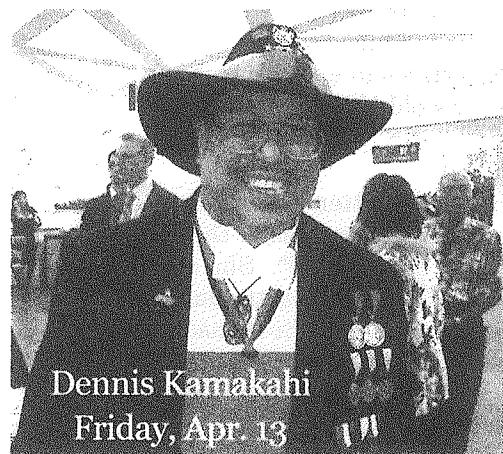

Lia whose light just continues to shine!  
Curley & Georges for fire building and help!  
Elenor for her flower art!  
Max for his continuing hard work!  
*Midnight on the Water* for the great music!  
All the wonderful members who remain kind, thoughtful and passionate about their center!  
To StuArt and Kathleen for serenading all of us with a great variety of songs!  
Thanks each and every Board member for all their diligent work and continuing presence!  
And to all I have forgotten, a huge thanks!

We have some Bolinas CC Thank You Award Certificates, awarded but not picked up: Amelia Nefatti, Ed Chiera, Pam Fabry, Gabe Lowry, and Bobbi Kimball.

They are in the office if you want to pick them up, come on by or call and we can mail them to you. 868.2128

Again, thank you all for making Bolinas this amazingly wonderful village!

From the heart,  
Randi Arnold  
Development Director

**Dennis Kamakahi**

## April

## Minutes from the February 27, 2012 Bolinas Fire Protection District Board Meeting

Pres. Buchanan called the regular meeting of the Bolinas Fire Protection District to order at 7:30PM. Vice Pres. Kilkenny, Dir. Kimball, Dir. Smith and Dir. O'Donnell were present. Also present: Chief Brown, Secretary Brown, Laura Fezini of Crown Castle, Don Smith and various community members.

MSC, Kilkenny/O'Donnell (unan) to approve the agenda.

### CHIEF'S REPORT

#### AMERA

None.

#### Prevention

None.

#### Planning

20 Nymph Road – Demolish existing residence, construct new one  
15 Oak Road – Legalize existing retaining wall  
415 Yucca – Solar Install  
365 Dogwood – Solar Install  
100 Mesa Road – Addition to communications tower – Verizon  
40 Mesa Road – Solar Install

#### Training

Emergency Medical Technician trainings are now complete as of Saturday February 25<sup>th</sup>. All BFPD EMTs successfully completed the course and will be submitting their paperwork to the Marin County EMS office. The course costs \$90 per person and certifies each EMT for two years.

#### Volunteers

BFD/BCPUD Shared Personnel Update: The reciprocal training issue is yet to be resolved.

#### Apparatus

Each piece of apparatus at the station will be rotated through a schedule in order to receive annual safety inspections. Recently, the front brakes on E283 needed repair which Buck Meyer kindly resolved. U219 needs new tires. Chief Brown brought a recommendation for a minimum bid of \$1,300 to be used to sell existing U231 in a closed bidding process. After the new U231 arrives in early March, she will advertise the old U231.

#### Disaster Council

Chief Brown plans to attend an all day course on Tsunami Awareness at the MC Civic Center on February 28<sup>th</sup>. She also plans to attend a Tsunami/Earthquake Preparedness workshop at the Stinson Beach Community Center on March 2<sup>nd</sup> hosted by the SBF. Speakers will attend from the California Emergency Management Association and the California Geological Society.

Dir. O'Donnell mentioned a recent report on the Japanese Tsunami that she heard on National Public Radio which she recommended everyone listen to.

#### Building and Grounds

Chief Brown reported that deep cleaning and interior painting is in order to maintain the fire station building. She is in the process of getting quotes from local businesses for cleaning services and painting/minor repairs. The firehouse and clinic are also experiencing difficulties with the digital thermostats. She will inquire about a quote for installing a simpler model.

#### General Operations/Administration

Chief Brown will be on vacation for one week beginning March 19<sup>th</sup>.

#### Maintenance Agreement – CHA

Chief Brown reported that Dir. Kimball has crafted an additional section to the CHA lease regarding the photovoltaic system. Nancy Dombrowski of CHA has reviewed and accepted the section. When she is done reviewing the entire document, the final draft will be brought to each respective Board for approval. Chief Brown thanked Dir. Kimball for his diligent help and expertise.

#### Surfers Overlook Repair/Terrace Ave.

Dir. Kimball reported that GM Blackman of BCPUD is in negotiations with SAGE over the contract for the second stage of geotechnical assessment necessary to enable the design of specific temporary in-kind and long term full bluff stabilization repair alternatives. The BCPUD and the County of Marin are set to split the cost of the repair. Dir. Kimball also stated that a permit from the Coastal Commission to construct a temporary "in-kind" repair might be unnecessary. This is yet to be determined.

Chief Brown reported that two structure fires listed in the Fire Calls and Emergencies were mutual aid calls that did not occur in Bolinas.

#### GENERAL BUSINESS

Action Item #1: Approve Resolution #163-2012 prohibiting use of Bolinas Disaster Council data base for anything other than Disaster Council related activities. MSC, Kimball/Kilkenny (unan) to approve Resolution #163-2012 prohibiting use of Bolinas Disaster Council data base for anything other than Disaster Council related activities. Dir. Kimball was concerned about the action item inadvertently restricting the function of the Council. Chief Brown reiterated that all relevant information would be shared as needed within the Council.

Action Item #2: Grand Jury Survey request for financial information and response.

MSC, O'Donnell/Smith (unan) to approve submittal of request by Grand Jury for financial information. Chief Brown agreed to send in the Survey as soon as possible.

Action Item #3: Approve Verizon request for to add microwave dish to existing Crown Castle tower located on Fire District property.  
Chief Brown reviewed that the BFPD has an existing lease with Crown Castle who provides space for Verizon on its tower at the station. She stated she approached Crown Castle about opening the lease and making amendments such as requiring regular monitoring of EMFs around the fire station property and placing a cap on EMF emissions in the future. Laura, a representative of Crown Castle present at the meeting, reiterated that Crown Castle, if obliged to the request, would then lower the monthly rent paid to the District. She suggested the Board approach Verizon directly with conditions for regular monitoring of EMFs instead since they are requesting the additional microwave dish. Dir. Kimball asked who would pay for the monitoring. Laura answered that if monitoring is a condition for an additional microwave dish for Verizon, then Verizon would have to fund the condition to be met. Laura was doubtful about Verizon accepting a future cap of EMFs emitted at the station. Chief Brown and Dir. Kimball will continue to pursue possible conditions for the request and will seek Jennifer Vuillermet for legal advice at the County of Marin on the matter.  
Don Smith still needs information about what exact equipment is located on the tower and what EMFs are presently emitted. Laura of Crown Castle suggested that he have a conference call with representatives from Crown Castle such as Mark Gagne, SiteSafe and Verizon to answer questions and share information. Dir. Kimball requested to join the conversation. The Board thanked Laura for her offer to arrange the conference call and for her help on the matter in general. Pres. Buchanan requested that the item be continued on the next agenda.

Discussion: Emergency only access and egress alternatives to closure of Terrace Avenue and Overlook Road.  
Pres. Buchanan reported that GM Blackman of the BCPUD is still pursuing PG&E for radical trimming of limbs above Mesa Road in order to keep limbs from falling and the road open. Chief Brown said she would also pursue PG&E and contact GM Blackman about the matter. Dir. Smith commented on the frequent illegal parking along Terrace Avenue at Surfers' Overlook. Chief Brown encouraged everyone to call the Sherriff's Office and report illegal parking as often as possible in order to get the problem addressed.

Dir. Kimball requested keeping the discussion item on the agenda until the repair at Surfers' Overlook is resolved. He commented that it would be a shame to have the two repairs completed along Terrace to then have access to an emergency blocked due to illegally parked cars.

### CONSENT CALENDAR

MSC, Kimball/Kilkenny (unan) to approve the Consent Calendar including spelling corrections to the Minutes from the January 23, 2012 regular meeting, the warrant lists from January 17 - February 21, 2012, and the financial reports for December 2011 including the account balances.

Dir. Kimball thanked Chief Brown for a balanced budget.

### COMMITTEE REPORTS

Pres. Buchanan reported that the Personnel Committee met earlier in the day to work on an employee handbook. Dir. Kilkenny, Pres. Buchanan and Chief Brown are working on a draft to bring before the Board when complete.

Secretary Brown said she has completed the Board Binder that includes all BFPD Resolutions. (The Resolutions are too numerous to be included in the binder and can be located in a separate binder next to the Board binder.)

### GOOD OF THE ORDER

Dir. O'Donnell thanked Chief Brown and Sec. Brown for jobs well done.  
Dir. Kimball thanked Buck Meyer for his brake repair on E283.

### ADJOURNMENT

MSC, Kilkenny/Smith (unan) to adjourn the meeting at 8:20 PM.

Respectfully submitted,

Molly Brown  
District Secretary

Note: All minutes to all Board meetings are available for review at the Bolinas Library.

### THREE MORE GREAT THINGS ABOUT THIS PLACE...

(1) The "World's Loudest Square Dance" in Lagunitas, a fund-raiser for the Open Classroom program, going on fifteen years now.

(2) Playing Irish music in the KWMR studio, raising money for the semi-annual pledge drive.

(3) Sage, again, putting on a great show at the bar last Friday.

## HOW TO PLACE AN AD IN THE HEARSAY

Come to the office at 270 Elm at Maple behind  
the BPUD office on a Monday, Wednesday or Friday  
morning 9-11am. Your ad will appear the same day!  
Forms are also available in the small mailbox next  
to the Hearsay Door. Fill out the form, enclose  
payment (please indicate you have enclosed payment  
in case they become separated) & drop in door slot.

**HEARSAY ADS WORK!**
