Dear Artists;

We are looking forward to you contributing your artistry to the 2016 Bolinas Community Center's Art and Garden fundraiser April 29<sup>th</sup> - May 1<sup>st</sup>. We are deeply grateful for your participation.

This year we're creating a multi-faceted event, rich with opportunities for the community to learn about the Flora and Fauna of our bioregion, and we're calling it:

**WILD AT HOME: California Natives in the Garden and Beyond**

Lea Earnheart, who is the main coordinator for the weekend's activities, has created a list - which you'll receive with your canvas - of common plants and animals with whom we share this Earth Place.

We ask that your work for this exhibit animate these beings, and thereby help all of us to become more aware of the Life in this place, beyond the human community.

Call us 868.2128, stop by the office or email [randi@bocenter.org](mailto:randi@bocenter.org) if you are interested in participating in this special artistic adventure.!

Thank you

## The Bo'osphere

by StuArt

(edited for increased relevance by Bill Braasch)

The Freebox lives in the heart of Bolinas, directly behind the Community Center and adjacent to the People's Store. The Freebox, like Bolinas itself, exists in a different realm than the ordinary world. Locals refer to that space as the Bo'osphere, a place of imagination that is not accessed by ordinary means. Like Brigadoon, Bolinas appears magically out of the mist without a signpost to call attention to itself. Likewise, the Freebox is a magical portal to a hidden dimension.

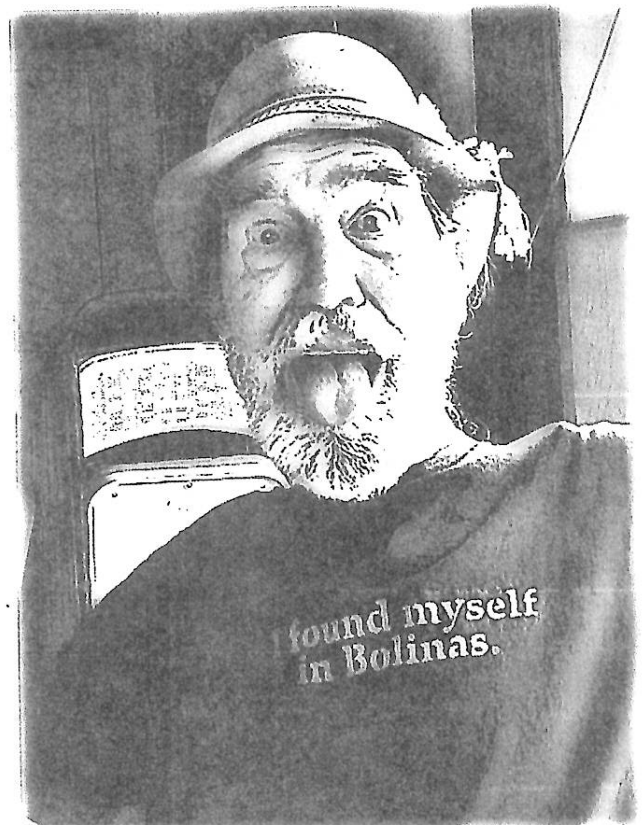

The Freebox is a place of metaphor and mystical meaning. The stuff in the Freebox has no price tag, it can't be bought. It's a gift from the universe awaiting appreciation and understanding. What's required is humility and an open mind. Enter the Freebox with wonder and acceptance. Like receiving a Tarot reading, allow the Freebox to present you with symbolic information for your journey of self discovery.

Perhaps there is an article of clothing that will encourage your personal transformation. Maybe a dog-eared paperback novel will give you an instant I-Ching reading. Even amongst the detritus on the floor you may find a small figurine that will prompt some forgotten memory or give you a metaphoric insight into the enigma of your life.

Expect a miracle, but drop all expectations. That's the way the magic of the Freebox works. Like a dream it gives clues and hints that are as mysterious as life itself. Clean up a bit for increased relevance. Throw away some trash, fold some clothes, organize pairs of shoes, tidy the shelves. The Freebox is a sentient being that will feel your care and respond with love.

Be sure to take something from the Freebox with you. It will work like a magical talisman to attract wonder and meaning. Leave something of your own for others to find. Your vibrations will resonate in the Freebox and in the heart of Bolinas.

Accept the fact that you never know what you're looking for or really need. Allow the Freebox to prompt you into a new realization of your personal, magical mystery trip.

Free Frieda is her name.  
Somewhat boxy on her edges,  
But inside — fits any frame.*
