Lots of Winners at the 53rd annual Fishing Derby

What a great day had by all at the 53rd Annual fishing derby. We had a total of 152 participants of all ages. The conditions were perfect with low fog and glassy waters and most boats coming in had fish on board. The total count of fish for the derby was 75 salmon, 8 halibut, 4 lingcod and 20 rockfish. There was 23 awards given out to seven categories. In addition, we were able to award 25 great fish awards to children 8 and under. First place finishers each selected a salmon rod and reel set valued at 300.00 dollars and the second and third place finishers were given a rod and reel set valued at 200.00 dollars.

The director's award this year was given to Renee Doe in recognition for her volunteering at club events and always willing to help out.

As always the derby finished up with a great crowd on the deck enjoying the barbecue provide by Anna Gades, Richard Pedemonte and the many volunteers, and the bartender services of Michael Fitzpatrick and Phil Binley.

I would also like to thank all the volunteers for all their hard work during the derby: Richard and Syd Bass, John Andrews, Eric Swanson, Susan Hewlett, Hilary and Don Read, Paul Krohn, Trudy Greenlaw, Todd Smith and the many others. Everyone made it a great event.

Please join us for next year's 54th Annual fishing derby: Thank you, Kevin Lorne

Minutes from the July 24, 2017, Bolinas Fire Protection District Board Meeting

Pres. Bass called the regular meeting of the Bolinas Fire Protection District to order at 7:00PM. Dir. Kimball and Dir. Gade were present. Dir. Shaw and Dir. Chiera were absent. Also present: Chief Brown and Administrative Assistant Lynam.
M&C Kimball/Gade (unan.) to approve the agenda.

CHIEF'S REPORT

MEMO

Chief Brown attended the June 28th meeting. Items discussed were the station alerting options, proposed new radio packages for Gen II, and approval of the proposed Capital Project Budgets and Expenditures from Reserves. The Operations Group is also working on a proposed Talk Group for Gen II. The MERA meeting scheduled for Wednesday, July 26th has been canceled due to a lack of agenda items. Motorola has scheduled an Equipment Fair on August 10th. This is an opportunity for agencies to see/discuss the proposed equipment that will be provided by MERA and to see/discuss potential accessories available for purchase. Chief Brown and Asst. Chief Marcotte will be attending.

Prevention

Marin County Fire Inspectors were in Bolinas July 19th, 20th and 21st conducting 4291, Structure Defensible Space Inspections. If needed, they have offered to return for another day or two to inspect areas they were unable to get to due to time constraints. Chief Brown is waiting for a report on how many residences they were able to inspect. There have been very few calls from concerned residents. The Fire Department will be following up with residents to remind them of the importance of completing the needed work on their properties and roads.

Roads

No Update.

Inspections

120 Juniper – Fire Permit
280 Mesa – Fire Permit
46 Crescente – Emergency Access

Planning

Ongoing-
20 Nymph Road – Demolish existing residence, new construction
324 Ocean Parkway – Addition
350 Fern – Studio addition
415 Yucca – Legalize Second Unit
380 Larch Road – New septic system, habitat restoration
210 Laurel – Legalize second unit
350 Lauff Ranch Rd. – Legalize multiple structures

4900 Shoreline Highway – Remodel
120 Horseshoe Hill Rd – Addition, remodel
10 Olema-Bolinas Rd – Second Unit
370 Overlook – Remodel, addition of 2nd unit
12 Olema-Bolinas Road – 2nd Unit
105 Wharf Road – Second Unit
46 Horseshoe Hill Rd – Addition/Remodel
190 Ocean Parkway – Remodel
New
None.

Grants

No update.

Training

Asst. Chief Marcotte and Capt. Krakauer have been leading training on wild land fire suppression and rope rescue. On Saturday, July 22nd the practice focused on hands on evolutions for low angle rescue at the end of Maple Rd. The new seasonal, Miles Grisman and Lucas Lind-White, have experience in rope rescue with Marin Search and Rescue and were very helpful during the training.

Volunteers

Nolan Godfrey has been accepted as a Volunteer Firefighter and has been an excellent addition to the ranks. Nolan was able to help us acquire a donation of new exercise equipment to replace very old equipment. The volunteers are very appreciative of the new equipment.

Apparatus

U219 has an abnormal noise in the front end and needs a checkup.

Disaster Council

No Update.

Resource Recovery

I attended the meeting this afternoon, Monday, July 24th. In attendance were Mike Aitken, RRP, Jennifer Blackman, BCPUD, Kenny Stevens, SBFPD, Anita Brown, BFPD, Jim ????. Jeff Creques, RRP was absent. Mike just finished a grind but was unable to off load the material in Nicasio due to a lack of space so it will be composted on site. Fire fuel reduction on sight was completed. Mike expressed concern with Redwood Empire not bringing Stinson green waste to the site recently which is a reduction in fees. Jennifer said it is a condition of the Bolinas contract that all Bolinas green waste must go to RR. She will speak with Redwood Empire and Jim will check in about the Stinson contract. Kenny would like to check with CalTrans to see if they could use any of the composting material from the site in order to reduce the amount of material.

It was decided not to increase the tipping fees right now. Mike informed everyone that a new tractor was going to be needed soon at a cost of approximately 90-100K. Money will need to be raised for this purchase.

Building and Grounds

Update provided under Board Committee Reports.

Horseshoe Hill area and all property is privately owned, establishing even an emergency only road would be a very time consuming, expensive project requiring multiple regulatory agencies oversight and approval.

Surfers' Overlook Repair/Terrace Avenue

Jennifer Blackman, BCPUD, Ralph Camiccia, Surfers Overlook, and Chief Brown met with Larry Kennings of LAK Associates on July 20th to discuss the next steps in the Surfer's Overlook project. Larry is the Planning Consultant who helped with Phase I of the project. There is approximately \$200,000 left from the fund raising efforts for Phase I. During Phase I, it was made clear to the public and donors that any excess funds would be used solely for the benefit of Surfers Overlook. Work is now being done to determine the process for starting Phase II of the project. Phase II involved repairing the "toe" of Surfer's Overlook at beach level and the bluff face. After discussion with Larry, it was determined that the next steps in the project will be to contact SAGE and Assoc. and ask them to review and update their proposal for Phase II which now is about three years old. Larry will review and update his proposal for planning consultation services as well. There needs to be an application ready packet prior to beginning to work with the various regulatory agencies including the County and Coastal Commission. There will also be a review of the list of permits and studies needed as outlined in March of 2014 to ensure the list is still accurate and what the associated costs are. Jennifer will contact SAGE. Sup. Rodoni will be contacted to inform him of the work that has begun on Phase II. When there is clearer information regarding steps and costs, the Surfer's Overlook Committee will meet and will hold a public information meeting.

General

Operations/Administration

Over the 4th holiday, July 1st through July 5th, the Fire Department responded to 12 emergency calls. The day of the 4th was fairly quiet and uneventful. As the afternoon wore on, there were 5 medical

aid calls involving the beach. The fire department volunteers did excellent work in some difficult situations. In addition, the Lion's Club and all volunteers did an exceptional job with controlling traffic, signage and parking. It is a difficult day and night made a bit easier with every volunteer that helps out. The community owes each of them a great deal of appreciation.

The BCLT has asked to interview Chief Brown about the impact of the lack of affordable housing on the fire department. Chief Brown will be meeting with Evie on Saturday July 22nd in the morning to share thoughts and observations on the issue.

In response to Howard Dillon's request for the District to research the ability/process for creating an emergency access/egress road from the Mesa, I received the following information from County DPW.

I contacted a County Traffic Engineer about the process to establish a new road from the Mesa in order for residents to have access if Olema-Bolinas was closed. He was unsure of the process or of the number of regulatory agencies that would need to be involved so he contacted his supervisor. His supervisor's response was that we should participate in the current CDA Planning effort, C-SMART, that is discussing access alternatives. While I appreciated this limited information, I did respond that we are already actively participating in C-SMART and our concerns are of a much more immediate nature as the road is closed most winters for at least several hours to small vehicles due to Pine Gulch Creek flooding. As there are no established roads from the Mesa to the

Personnel

The interview and hiring process for the Seasonal firefighter's positions has been completed. Ultimately, the Fire Department hired the two Resident firefighters into the Seasonal positions as they were the best candidates for the position. Both Miles and Lucas are working out extremely well. They bring a depth of knowledge and a level of professionalism that has been much appreciated.

GENERAL BUSINESS**Action Item #1- Request from Crown Castle to Modify Equipment in their Shelter**

The request for signature on the planning application that was received from Crown Castle/Verizon was misread by the Chief due to a portion of the project scope appearing to be lined out. The scope of the project includes replacing all nine panel antennas in addition to modifying equipment in the shelter. This item will be tabled until further information is received from Crown Castle including a current EMF emissions report.

COMMITTEE REPORTS

Updates from Finance and Budget, Personnel, Building and Grounds and Finance and Budget -

Chief Brown recently contacted Maze & Associates and we will be receiving quarterly reports from them soon. They will also be allowed computer access into our Quick Books so they can get additional information they need. The Finance and Budget committee will return their attention to the spreadsheet.

The Personnel Committee-

The Personnel Committee's main focus has been to work on finalizing the position announcement for the Chief's position. Pres. Bass, Personnel Com., and Dir. Kimball, Finance Com., met with Chief Brown to research and discuss the potential salary range for the position. The Personnel Com. will be meeting to further the research and discussion. There will be continued work on the personnel manual as well.

Buildings and Grounds-

The Buildings and Grounds Committee met to review the memo from Jeff McPhail, contractor. His opinion indicated that, overall, the buildings are in very good shape except for a few issues that need to be addressed. The solar tubes on both buildings are suffering from rust at their bases and can cause water to leak into the buildings. These need to be replaced/repared. Also noted was the caulking has all but disappeared in every siding joint leading to possible water intrusion. Jeff recommended caulking and painting both buildings. Chief Brown is pursuing three bids each from commercial painting contractors and from roofing contractors for the work. Also, the committee is

undertaking the work of determining if the money currently reserved annually for building maintenance and common area maintenance is adequate. The District currently has \$35,285 reserved while the CHA has \$30,000 intended for use for individual building maintenance and for the common areas. The painting of the buildings alone could all but expend these accounts. The B&G Committee will be researching further the need for additional funding.

PERSONNEL MATTERS

None.

ANNOUNCEMENT

None.

GOOD OF THE ORDER

None.

ADJOURNMENT

MSC - Gade/ Kimball (unan.) to adjourn the meeting at 8:00 PM.

Respectfully submitted,

Anita Tyrrell-Brown
Fire Chief

Note: Minutes of all Board meetings are available for review at the Bolinas Library and on the District's website www.bolinasfire.org.

25th Anniversary Bolinas Museum Benefit Art Auction, September 9 at the Peace Barn!

It's a landmark year for the museum's most important fundraiser that benefits the artists and helps support the museum, its exhibitions and free events. This annual auction has grown over the years into one of West Marin's most highly regarded events. It includes a cocktail party, the live auction, silent auction and an after-auction party. The lively live auction features exceptional art from favorite coastal Marin and Bay Area artists, along with special auction offers-such as a stay in a 13th century house in Umbria, a villa in the heart of San Miguel de Allende, or a private dinner for ten with a brilliant young chef. As auctioneer, Mark Buell keeps the audience laughing and the bidding exciting!

In addition to the live auction, the silent auction offers fine wines, fine crafts, great food, unique experiences and more. Following the auction, guests will enjoy delicious food and wine under the stars and party to the sounds of the 60s and in the Peace Barn. This dynamic event succeeds because of the hard work of team of more than 45 volunteers from our communities. Join us! Tickets are available on line on the reservation line at 415. 868-8809 or bolinasmuseum.org.
